Directions to Nalu House:

Follow Highway 19 north out of Nanaimo. Take the Port Alberni exit and follow the #4 highway over the mountains through Port Alberni and on to the west coast.

About an hour and a half past Port Alberni you will come to a T-junction where you will see a visitors centre. Turn right here towards Tofino, set your odometer to zero and travel through the Pacific Rim National Park.

At 25.8 km you will see a sign for the Cox Bay Beach Resort on your left. This lets you know that your turn is coming up. Next you should see Rosie Bay Estates, also on your left. You will pass one more street entrance to Rosie Bay on the left again, and the next street around the bend at 27.0 km is Chesterman Beach Road, although the sign on the right hand side of the road will say "Sandpiper Lane". Turn left here and you are now on Chesterman Beach Road. You will quickly pass the public beach parking lot on your right and about 4 driveways later on your right you will see a sign for Nalu House. Turn right into the next driveway past the Nalu sign. Note: We share a driveway with 1342 Chesterman Beach Rd. Nalu House and Parking is on the right. Please park perpendicular to the hedge.

Entrance to the Tiki Suite is straight up the stairs in front of the Parking. Entrance to the Groundswell Suite is around the back of the house on the deck.
